

# Gary Numan, This Is Love

This is love  
This is pain disguised as a dream  
Memories  
Are guaranteed to break your heart.

Look at me  
I woke up and found me alone  
I wonder  
If you'll ever think of me.

I won't cry  
Now you're gone  
I won't cry.  
I should take  
Your picture  
From the wall.  
This is love  
What's it for?  
It takes everything.
