

# Gary Puckett, This Girl Is A Woman Now

This girl walked in dreams  
Playing in a world of her own  
This girl was a child  
Existing in a playground of stone  
Then one night her world was changed  
Her life and dreams were rearranged  
And she would never be the same again  
This girl is a woman now, and she's learning how to give  
This girl is a woman now, she's found out what it's all about  
And she's learning, learning to live  
This girl tasted love, as tender as the gentle dawn  
She cried a single tear, A teardrop that was sweet and warm  
Our hearts told us we were right  
And on that sweet and velvet night  
A child had died, a woman had been born  
This girl is a woman now, and she's learning how to give  
This girl is a woman now, she's found out what it's all about  
And she's learning, learning to live  
This girl is a woman now, she's learning how to give  
This girl is a woman now, she's found out what it's all about  
And she's learning, learning, learning to live
