

# Gate 9, Autodidact

I was not raised this way,  
This is not the way I was brought up.  
I learned how to live well,  
I learned to live of the land.

I'm autodidact.....

I've learned to live supersonic,  
I was not brought up this way,  
I've learned to burn my fuel,  
how to use my key.

I'm autodidact.....

It's a mess...  
take it away...  
I'm autodidact.....
