

# Gates Of Ishtar, Forever Scarred

Take me, hold me  
In your palms I feel so calm  
Clean me, erase me  
Heal my wounds and remove my filth  
Empty, soulless  
My heart of stone so ashen cold  
Tearing, burning  
The years of pain I can't forget

Forever scarred

Come, share my pain  
Stare into my eyes  
Never close the door on me  
Run, share my hate  
Feel my wrath inside  
Never come to close to me

Wake me, shake me  
From this nightmare, my own hell  
Touch me, clutch me  
Tear my mask, my veil of lies  
Feel me, be me  
I'm the blood inside your veins  
Show me, guide me  
Help me find my way back home
