

# Gavin DeGraw, Fire

Oh if there's one thing to be taught  
It's dreams are made to be caught  
And friends can never be bought  
Doesn't matter how long it's been  
I know you'll always jump in  
'Cause we don't know how to quit

Let's start a riot tonight  
A pack of lions tonight  
In this world, he who stops, won't get anything he wants  
Play like the top one percent  
Til nothings left to spent  
Take it all, ours to take, celebrate because

We are the champions  
Setting it off again  
Oh we on fire  
We on fire  
Running our own campaign  
Doing the whole shebang  
Oh we on fire  
We on fire

Get up, stand up, throw your hands up  
Welcome to the other land of  
Dreamers brothers sisters others  
Yeah we on fire like that

Oh the bond is deeper than skin  
The kind of club that we're in  
The kind of love that we give  
Oh ever since the dawn of mankind  
We all belong to a tribe  
It's good to know this one's mine

Let's start a riot tonight  
A pack of lions tonight  
In this world, he who stops, won't get anything he wants  
Play like the top one percent  
Til nothings left to spent  
We don't care, we won't stop, call your mothers, call the cops

We are the champions  
Setting it off again  
Oh we on fire  
We on fire  
Running our own campaign  
Doing the whole shebang  
Oh we on fire  
We on fire

Get up, stand up, throw your hands up  
Welcome to the other land of  
Dreamers brothers sisters others  
Yeah we on fire like that

And nothings gonna be the same  
Fire, fire, fire fire, fire, fire

We're the champions

We are the champions  
Setting it off again  
Oh we on fire

We on fire  
Running our own campaign  
Doing the whole shebang  
Oh we on fire  
We on fire
