## Gavin DeGraw, Just Friends

I saw you there last night Standing in the dark You were acting so in love With your hand upon his heart

But you were just friends At least that's what you said Now I know better from his fingers in your hair I forgive you for what you've done If you say that I'm the one

I've had other options too But all I want is you Girl your body fits me like a glove And you shower me with words of love

While you were just friends At least that's what you said Now I know better from his fingers in your hair I forgive you for what you've done If you say that I'm the one

It's not my style to lay it in on the line But you don't leave me with a choice this time Why weren't you true? You know I trusted you

When you were just friends At least that's what you said Now I know better from his fingers in your hair I forgive you for what you've done If you say that I'm the one

You were just friends At least that's what you said Now I know better from his fingers in your hair I forgive you for what you've done If you say that I'm the one I'll forgive you for what you've done If you say that I'm the one I'll forgive you for what you've done If you say I'm the one I'll forgive you
