

# Gay Dad, Oh Jim

nobody made you  
do what you'd done  
nobody told you  
what you'd become  
if you believe  
that you get what you gave  
don't turn around  
just give it away  
oh Jim  
oh Jim  
can you feel the pain I'm in  
oh Jim  
oh Jim  
can I leave it all behind  
I'm OK  
when you're OK  
I feel fine  
when you feel fine  
got no pain  
no sense no shame  
roll on by  
and put a smile on my face  
oh Jim  
oh Jim  
can you feel the pain I'm in  
oh Jim  
oh Jim  
can I leave it all behind  
so how does it feel  
to be free  
so far away  
I wish it was me  
yes I wish it was me  
oh Jim  
oh Jim  
can you feel the pain I'm in  
oh Jim  
oh Jim  
can I leave it all behind
