

Gayle McCormick, Flesh And Blood

I've been flunked and criticized,
I've been shoved, I've been kicked aside,
Carved my name in an ivory shack,
All I owned was hangin' on my back, but I'm

CHORUS:

Flesh and Blood
I'm a buckin' bronc
I'm an alley cat and a killer shark
I'm a brahma bull
that you're tryin' to rope
I'm a snortin' fool
Ain't no joke.

I been told i was one big mistake
I'm not sure if I got a pretty face still i'm
