

# Gaza Strippers, Automat

There's no warning, no sign  
yeah!

Whiplash, reflex, cherry wine  
Servant sees voodoo dance  
Motion shaken in a trance  
Like a stag that's in a rut  
I'm inside but there's no fun.

Automat, Automat  
I'm just a well worn piece of ass  
Automat, Automat  
Confessions at a Sunday mass  
Automat, Automat

Forgive me father, I have sinned.  
You bet your sweet ass, I'd do it again.  
Like a ? hits the stage  
Every dog that's in a cage  
A ? burning through our club.  
I'm really high, but there's no god.

Automat, Automat  
I'm just a well worn piece of ass  
Automat, Automat  
Confessions at a Sunday mass  
Automat, Automat

He's on automatic.  
Senior automatic.  
He's on automatic.  
Senior automatic.  
Ye-e-e-ah.

Automat, Automat  
I'm just a well worn piece of ass  
Automat, Automat  
Confessions at a Sunday mass  
Automat, Automat  
I'm just a well worn piece of ass  
Automat, Automat  
Yeah, yeah.
