

Gaza Strippers, Medicine Man

With cover of darkness I slip in the plan.
With lightning ultra-blazing, I'm a medicine man (I'm a man).
Ride into town on my ?
I'm looking slick, I work my chicks like rocket fuel (rocket fuel).

We ride so sweet.
Medicine man strikes again, yeah!

Taste my compassion, it's blowing my mind!
The demon ? in turpentine
Shaking my shaker, slammed into a trance.
My lips are kissing babies while I freed my pants.

We ride so sweet.
Medicine Man strikes again, yeah!
Yeah, yeah.

?
?

We ride so sweet.
Medicine Man strikes again, yeah!
Uh, huh.

Medicine Man.
Medicine Man.
Medicine Man.
Medicine Man.
