

# Gehenna, Bleeding the Blue Flame

(Music by Sanrabb)

(Lyrics by Sanrabb)

Immaculate and perfect  
The one who stands alone  
Bleeding the blue flame  
A man-being veiled into another form  
Bleeding the blue flame  
Victimized, nothing but a human cast  
You are bleeding the blue flame

What has become of this man ?  
He cannot even see his own pain  
He is bleeding the blue flame

This man will be made to suffer  
This one will be the first  
Bleed!

Yet man and devil are not too far apart  
He who seeks evil within his own heart

This man will be made to suffer  
Blessed with every curse  
Of darkness
