

# Gehenna, Made to Suffer

[Music by Sanrabb and Sarcana]

[Lyrics by Sanrabb]

Midnight, cling to your soul  
You are writing in pain  
Fire calling you back to suffer again  
Anger results in failure  
You believe in a dying god  
Burning, you cannot look the other way  
You believe in a dying god

Will tomorrow bring you pain ?  
Will tomorrow be a new day ?  
Rise and shine or fade  
Are you alive or are you dead ?

Time will tell

Mankind seeks an evil god...Believe  
Satan lives eternally

When morning comes can you feel your beating heart?

Show yourself  
In light of night?  
This is the way to hell

Time will tell  
Time will tell

Mankind seeks an evil god !
