

# Gemini, Stand By Me

(We're) caught in a trap, I can't walk out  
Because I love you too much, baby  
Why can't you see, what you're doin' to me  
When you don't believe a word I say  
We can't go on together with suspicious minds  
And we can't build our dreams on suspicious minds  
So if an old friend I know, stops by to say hello  
Would I still see suspicious in your eyes?  
Here we go again, asking where I've been  
You can't see these tears are real, I'm crying  
Oh, let our love survivor  
I'll dry the tears from your eyes  
Oh, let's don't let a good thing die  
When, honey  
You know I've never lied to you
