

Gemma Fox, Love Me

Song Name- Love Me. Album-Messy

Woke up this morning wiped the sleet out from my eyes, opened the curtains and the birds were in
beautiful day, i give thanks and praise for everything that i am! Now that it's time to get ready and i
wear, today i will leave off my make-up and i only brush my hair, riding a fantasy, i've just got to be

[Chorus]

Because i love me, i'm proud to be me, coz i love me, it's all i could ever be, coz i love me, i'm just

So as i walk out the front door the children play their games, i wave at some passers by but cant re
man playing melodies, he lives on the street, as i look the other way! So as i jumped up the cues th
delays, woman is angry coz shes late for work and lost her place, car drivers are you in, people lau
day!

[Chorus]

I am beautiful, dont need to be told, more than what you see, your inequality!

[Chorus x2]
