Gene Pitney, Oceans away

Don't wake me up if I should be dreaming I don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of this dream And don't want to miss one minute of the minute of this dream And don't want to miss of the minute of this dream And don't want to miss of the minute of the
