

Gene Simmons, Mr. Make Believe

This time I'll try to get it right
Just give me one more chance tonight, oh yeah
I'm tryin' hard to please you, would you believe me if I tell you
Baby won't you try, just one more chance tonight

Chorus:

Mr. Make Believe, Mr. Make Believe, let me live inside you, please

chorus

And when you tell me what you'd like, oh yeah (oh yeah)
You'll know you'll never have to fight, whoa no

I'm tryin' hard to please you, would you believe me if I tell you
Baby won't you try, just one more chance tonight, one more chance tonight

chorus

I'm tryin' hard to please you, would you believe me if I tell you
Baby won't you try, just one more chance tonight, one more chance tonight

chorus repeats out
