Gene Simmons, Sweet And Dirty Love

As I'm walkin' round one street corner
I turn to see you coming my way, I'm on fire
I look up, I see your eyes a'burning
They're burning right through my head, You're looking so good

If I'm built for speed You're built for love You're too much of a good thing But It's much too good My sweet and dirty love

You talk to me But just the same You brought me Back to life again

I'm built for speed
You're built for love
You're too much of a good thing
And it's much too good
My sweet and dirty love
I can't control myself
I'm about to lose head
Can't get enough
Sweet, dirty love

And this heart of mine Wants you all the time This ain't no fairytale Can't get enough My sweet dirty love
