

# Gene Simmons, Sweet & Dirty Love

As I'm walkin' round one street corner  
I turn to see you coming my way, I'm on fire  
I look up, I see your eyes a'burning  
They're burning right through my head, You're looking so good

If I'm built for speed  
You're built for love  
You're too much of a good thing  
But it's much too good  
My sweet and dirty love

You talk to me  
But just the same  
You brought me  
Back to life again

I'm built for speed  
You're built for love  
You're too much of a good thing  
And it's much too good  
My sweet and dirty love  
I can't control myself  
I'm about to lose head  
Can't get enough  
Sweet, dirty love

And this heart of mine  
Wants you all the time  
This ain't no fairytale  
Can't get enough  
My sweet dirty love
