

Gene Vincent, Hi-Lilli, Hi-Lo

The song of love

Is a sad song

Hi lilli, hi lilli, hi lo

The song of love

Is a tale of wow

You ask me how

How I know-ow-ow, yeah

The song of love

Is a sad song

And that's

Why everyo-o-one knows

I sit by the window

And I-I watch the rain

Hi lilli, hi lilli, hi lo-o...

Tomorrow

I'll probably love again

Hi lilli, hi lilli, hi-i lo

Well I sit by the window

And I-I watch the rain

Hi lilli, hi lilli, hi lo-o...

Tomorrow

I'll proba-ably love again

Hi lilli, hi lilli, hi-i lo, hi lo, hi-i lo-o-o...
