

# Gene Vincent, Pink Thunderbird

I got a pink Thunderbird with a red fur seat  
Well, a-baby it's mine  
I got a new brick house with a two car port  
Well, a-baby that's mine too  
I got a bank account, well baby, filled with green  
Well, a-baby it's all mine

[Chorus]

There ain't nothing I got baby you don't need  
Well, anything I got baby, you can have it  
Anything I got baby, you can use  
Anything I got baby, you can have it  
If you'll only say; I do, I do, I do, I do  
(Rock!)

I got a big white yacht at the edge of the lake  
Well, a-baby that's mine  
I got a million cows, lowing all the time  
Well, a-baby they're mine too  
I got a factory and an airplane too  
Well, a-baby they're all mine
