

General Public, Punk

But here comes the musical thing keep
You rockin' an swing so all you gotta do is keep
On coming down adn don't be no clown as I would
Tell you 'bout the musical thing that we love to call Punk

'Cause dis yah one it have to make a hit song and
And this yah one it have to reach number one and
And this yah one it have to sell a million and
And this yah one it make the people sing along 'cause me seh
Whether you are young or whether you are old
Got to come along and makes the good times roll
That's why we, chant we lyrics like remote control
With the raggabilly riddim' for the boomshockattack it name

Punk - We come fe give them lyrick
Punk - We come fe kill them with it
Punk - Original boombastic
Punk - Lord we're under automatic

'Cause me seh
We come fe rock it and we
We come fe shock it and we
We come fe rap it we no come here to knock and we
We come fe love it and we
We come fe dub it and we
We come fe, we come fe, we come fe it's named

Punk - We come fe give them lyrick
Punk - We come fe tease them with it
Punk - Original boombastic
Punk - Lord we're under automatic, come again
Punk - We come fe give them lyrick
Punk - We come fe kill them with it
Punk - Original boombastic
Punk - Lord we're under automatic, come down

Lord cause me seh
When I was a youth I used to raid fe de larder
Have plenty friends and drink plenty larger
The way that them dress you could have
Charged them for murder
But a dem man there firse call me
Ranking Roger
With a pin in a nose and teddy boy boots
Some of them would dress in a bondage suit
Special request to white and black
Raggabilly riddim for the noomshockattack it's named
