

# Gentle Giant, Giant

The birth of a realisation;  
The rise of a high expectation;  
Emerging successful, defiant;  
Together the parts make a Giant.

See the world in the palm of his hand,  
Striding steps that will cover the land.  
He is coming;  
Hear him coming;  
Are you ready  
For his being?  
See the Giant  
Feel the Giant  
Touch the Giant  
Hear the Giant.

Emerging successful, defiant;  
Together the parts make a Giant.

The birth of a realisation;  
The rise of a high expectation;
