

Gentleman, Fave off

Intro:

fire-starter blaze it

what me seh we fi do put down put down the gun deh

yes this is gentleman and anthony b

this is not a story this is reality

chorus:

You nuh have no time fis dis no time fi dat nu time fi listen just a chat face off-always wearing a ma

no time fi love no time fi joy squeeze your trigger like a toy ease off-before you come to past...

dutty works dutty pay just like a candle you will melt away

if you could hear waht you say me think you never woulda act this way

you tell me you a gunman

you nuh care who you turn your gun pon any guy

disrespect you dun one hey mr. badman the fire nuh stop bun pon

You nuh have no time fis dis no time fi dat nu time fi listen just a chat face off-always wearing a ma

no time fi love no time fi joy squeeze your trigger like a toy ease off-before you come to past

hey stop the killin' killin' killin' you nuh hear seh me nuh want no blood spillin' spillin' spillin'

you go murder your brother for a shillin' shillin' shillin' hey bloodsucker try fi escape me take the fire

tell you stop the ism and you tell me seh you caan tell you fi do better and you tell me seh you nuh

like a sirene you just a waan waan waan better you go left the dutty glock outta your draw

haga your muma and a dogga your pa like a wild animal you njam tings raw badder than the riddim v

You nuh have no time fis dis no time fi dat nu time fi listen just a chat face off-always wearing a ma

no time fi love no time fi joy squeeze your trigger like a toy ease off-before you come to past

too much blood runnin' me nuh dem spend no time pon lovin'

woman ball seh dem every man seh dem a badman hafi deh pon the street out dem turing

right ya know you burying and you soon a burn out take a left turn and you gone the wrong road

sucking out the food outta the suckeling mouth man you doing wrong and there is no doubt abouto

chorus:

You nuh have no time fis dis no time fi dat nu time fi listen just a chat face off-always wearing a ma

no time fi love no time fi joy squeeze your trigger like a toy ease off-before you come to past

put down put down put down put down the gun deh

stop stop stop stop stop spoil the youths dem fun deh

dutty works dutty pay just like a candle you will melt away

if you could hear waht you say me think you woulda never act dis way

so make me warn dem make we teach dem make we show dem how believe

nuh go down 'cause we always positive yo-hail rastafari burn the dirty bridge

ell you stop the ism and you tell me seh you caan tell you fi do better and you tell me seh you nuh

like a sirene you just a waan waan waan better you go left the dutty glock outta your draw

haga your muma and a dogga your pa like a wild animal you njam tings raw badder than the riddim v
