

Gentleman, New Day

And it look like you left that behind
Words and sounds combine
Hafi give thanks fi the power of devine
Lost in search of the big goldmine
And ina darkness blind man a lead blind
With no limitation i man feel fine
Living on the edgecause jah love it is mine
And as they blasphem and plat and scheme
I man still see jah wonders and signs

Corus:

Rise up with a new day
I do things in my own way
And me nuh ina your hear say
Cause dis ya sheppard nuh go astray
Now me gone pon the highway
Cause man a clear like x-ray
And me nuh ina your leh leh
And joy when dis ya tune a play

2.

Can't tek things what you nuh know
Got to find out first wich way to go
And you can't exercize no form of genocide
Ina the fast lane that you are go
If a jah jah man you want overthrow
Ina sinking ship you are row
Cause he will cut you down and he will mash you down
Like the tide that ebb and flow
Weed and tears must grow
Until the time of harvest we know
Many a call but the chosen a few
And the almighty god a say so
Man hafi go maditate and tek it slow
Riding high when you should deh pon the low
And you can't flop fast if you sick to your tast
And the flowers ina your garden will grow

Corus: (repeat)

3.

Stop play the tool and attend your classes
Nothing you a see you must want glasses
Sit down and complain and then your perplex fi flex
So your tribulation never passes
We living in a worl full of jackasses
Every day dem get up and ball bout dem crosses
And dem standing at the gate and the whole are dem wait
But the fate it seems like dem last it
Intro again

Corus: (repeat)
