

Gentleman, Unconditional Love

unconditional love

Intro:

Woman don't you lose your faith now

Everything it will be great now

Chorus:

Woman wipe those tears out of your eyes

This love is unconditional

This love is exceptional

Woman wipe those tears out of your eyes

You feel a bit emotional

Just come and get personal

Woman I'll make it fine for you

Time after time for you

I will read and translate the very signs fi you

I'm gonna turn your very water into wine for you

Polish down your little heart and keep that shine for you

Tomorrow is too late for a love that is true

I can wipe away your sorrow and make your life brand new

Every man needs a woman fi cut and go through

And Gentleman a needs you

Chorus

You say you have been hurt before

You're crying cause you nuh want to get hurt no more

I am not like the rest I'll make you feel secure

So much love in store

Baby you are the one that I adore

Nothing in this whole wide world that coulda get us down

There is no one in this world who coulda wear your crown

Always want you around

Just make a joyful sound

Chorus

My world is ma warranty

Make you know seh that my love is my guarantee

And babygirl apparently

You never imagine what it is life if you par with me

I'm gonna take you to a place where the moon shines brighter

Love is in the air so let us hold on tighter

Take you away from those vandals and fighters

You are the one that I would always try fa

Chorus
