

Geoff Moore And The Distance, Running To You

Verse One

Like The Sun On A Winters Day
You Can See The Light But The Heat Is So Far Away
Like A Dream Of How Things Should Be
Then Awaking To A Different Reality
I've Grown Tired Of Isolation

Chorus

I Am Running To You
Like A Prisoner Cut Loose
In The Distance I
Can't Believe My Eyes
But You're Running For Me Too.

Verse Two

Like A Bird In A Gilded Cage
Bars Of Gold That I Fought For Locked Me Away
Like A King Who's An Exiled Man
Waiting To Make His Break For The Promised Land
I Need To Find Liberation.

Chorus

I Am Running To You
Like A Prisoner Cut Loose
And I Am Reaching Out For You
In The Distance I
Can't Believe My Eyes
But You're Running For Me Too.

Bridge

There's A Light That Is Arising
Like A Beacon On The Horizon

Chorus

I Am Running To You
Like A Prisoner Cut Loose
And I Am Reaching Out To You
Like A Desperate Man Will Do
In The Distance I
Can't Believe My Eyes
But You're Running For Me
Running For Me
Running For Me
Running For Me Too.
