

# Georg Baker Selection, Beautiful Rose

As you're the dancing queen  
silver dream  
To see you walking in tight blue jeans my oh my  
It's something out of space  
To see your shining hair  
deep blue eyes  
Lord it almost makes me cry  
Come on girl  
so you can hear me sing  
Oh you're a beautiful rose in the morning  
Oh you're a beautiful flower in spring  
I said oh  
you're a beautiful rose in the morning  
I wanna pick you baby to give you everything

I play my own guitar just for you  
So tell me what else can I do  
To make you mine and love you all night long  
Come on and hold me tight make it right  
And we make love till the morning light  
Together we can make this life a song  
I said oh  
you're a beautiful rose in the morning
