

# George Benson, In Your Eyes

I think i finally know you  
i can see beyond your smile  
i think that i can show you  
that what we have is still worthwhile

don't you know that love's just like the thread  
that keeps unravelling but then  
it ties us back together in the end

(chorus)  
in your eyes  
i can see my dreams reflections  
in your eyes  
from the answers to my questions  
in your eyes  
i can see the reasons why our loves alive  
in your eyes  
we're drifting safely back to shore  
i think i've finally learned to love you more

she warned me that life changes  
and that no-one really knows  
whether time would make us strangers  
or whether time would make us grow

even though the winds of time will change  
in a world where nothing stays the same  
through it all our love will still remain

(chorus)  
in your eyes  
i can see my dreams reflections  
in your eyes  
from the answers to my questions  
in your eyes  
i can see the reasons why our loves alive  
in your eyes  
we're drifting safely back to shore  
and i think i've finally learned to love you more

in your eyes  
i can see the reasons why our loves alive  
you and i  
we're drifting safely back to shore  
i think i've finally learned to love you more
