

# George Benson, Love Ballad

I have never been so much  
In love, in love before  
What a difference  
How true love made in my life  
So nice and so right

Lovers come and then lovers go  
That's what the people say  
Don't they know  
How it feels when you love me  
Hold me and say you care  
And what we have is much more than they can see  
And what we have is much more than they can see  
Baby what we have is much more than they see  
Oh baby, whoa yeah

I'm in love, I'm in love with you girl

I say love I never knew that a touch  
Could mean, could mean so much  
What a difference  
And when we walk hand in hand  
I feel, I feel so real

Lovers come and then lovers go  
That's what the people say  
Don't they know  
How I feel when you love me  
Hold me and say you care  
And what we have is much more than they can see  
And what we have is much more than they can see  
Baby, what we have is much more than they can see
