

George Benson, Love X Love

Remember the days when we never had a dime
And our dreams seemed a million miles away
But we made it baby
Facin' the bad times with a smile
Here we are and we're growin' stronger day by day

Chorus

Cause we got love times love
It's always there for us to share
And girl it sure feels good to know
You're by my side
Cause we're just two high hearts
That beat as one forever on
With love times love to keep us satisfied everynight

So my lady whisper the words i love to hear
Cuddle up and i'll make you feel all right
Cause i need you baby to carry me on through all the years
So come on baby close the door and dim the lights

Repeat chorus

And there ain't no one in this world tonight
Can change my point of view
So come on girl and hold me tight
The way you always do with love times me and you

Chorus/background

Love is multiplying
Keeping us high
You know we'll never be divided
Everything's right
Girl i'm thinking about you
