

# George Benson, Love X Love

Remember the days when we never had a dime  
And our dreams seemed a million miles away  
But we made it baby  
Facin' the bad times with a smile  
Here we are and we're growin' stronger day by day

Chorus

Cause we got love times love  
It's always there for us to share  
And girl it sure feels good to know  
You're by my side  
Cause we're just two high hearts  
That beat as one forever on  
With love times love to keep us satisfied everynight

So my lady whisper the words i love to hear  
Cuddle up and i'll make you feel all right  
Cause i need you baby to carry me on through all the years  
So come on baby close the door and dim the lights

Repeat chorus

And there ain't no one in this world tonight  
Can change my point of view  
So come on girl and hold me tight  
The way you always do with love times me and you

Chorus/background

Love is multiplying  
Keeping us high  
You know we'll never be divided  
Everything's right  
Girl i'm thinking about you
