

# George Benson, Turn Out The Lamplight

comin' home is always joy to me  
ain't a place that i would rather be  
i need to see the heaven in your eyes  
cause you're the love that's always hard to find  
every dreams that's ever crossed my mind  
only you can make the day end right

chorus:

so turn out the lamplight  
sit by my side  
love me tonight  
so turn out the lamplight  
let's dream for a while  
just you and i  
and we'll let the world go spinning by

on a day when problems get me down  
it's nice to think about the love we found  
all i need is you and i'll get by  
and though the years may make me old and grey  
darlin' you'll still take my breath away  
'cause time can't change the warmth  
inside your smile
