

George Harrison, Don't Let Me Wait So Long

I got my mind set on you
I got my mind set on you

I got my mind set on you
I got my mind set on you.

But it's gonna take money
a whole lotta spending money

It's gonna take plenty of money to do it right
child.

It's gonna take time
a whole lotta precious time

It's gonna take patience and time to do it
to do it

To do it
to do it
to do it
to do it right
child.

I got my mind set on you
I got my mind set on you

I got my mind set on you
I got my mind set on you.

And this time I know it's real
the feeling that I feel

I know if I put my mind to it
I know that I really can do it.
I got my mind set on you
set on you

I got my mind set on you
set on you.

But it's gonna take money
a whole lotta spending money

I got my mind set on you
I got my mind set on you

I got my mind set on you
I got my mind set on you.

And this time I know it's real
the feeling that I feel

I know if I put my mind to it
I know that I really can do it.
But it's gonna take money
a whole lotta spending money

..

Set on you
set on you
set on you
set on you

Set on you
set on you
set on you
set on you

Set on you
set on you
set on you
set on you.
