CUP OF LONELINESS

(George Jones - Burl Stephens)

'59 Glad Music

I see Christian pilgrims so redeemed from sin  
Called out of darkness a new life to begin  
Were you ever in the valley when the way is dark and dim  
Did you ever drink the cup of loneliness with Him

Did you ever have them laugh at you and say it was a fake  
The stand that you so boldly for the Lord did take  
Did they ever mock at you and laugh in ways quite grim  
Did you ever drink the cup of loneliness with Him

Did you ever try to preach then hold fast and pray  
And even when you did it there did not seem a way  
And you lost all courage then lost all your vim  
Did you ever drink the cup of loneliness with him

Oh my friends 'tis bitter sweet while here on earthly sod  
To follow in the footsteps that our dear Savior trod  
To suffer with the Savior and when the way is dark and dim  
To drink of the bitter cup of loneliness with Him
