George Michael, Desafinado (English)

If you say my singing is off key, my love You would hurt my feelings, don't you see, my love? I wish I had an ear like yours A voice that would behave All I have is feeling And the voice God gave

You insist my music goes against the rules Yes, but rules were never made for lovesick fools I wrote this song for you But you don't care It's a crooked song, ah But my heart is there

The thing that you would see if you would play the part Is even if I'm out of tune I have a gentle heart I took your picture with my trusty Rolleiflex And now all I have developed is complex

Possibly in vain, I hope you weaken, oh my love And forget those rigid rules that undermine my dream of A life of love and music with someone who'll understand

That even though I may be out of tune when I attempt to say How much I love you And all that matters is the message that I bring Which is: my dear one, I love you
