George Michael, I Believe (When I Fall In Love It

Shattered dreams, Worthless years Here am I encased inside a hollow shell Life began, Then was done Now I stare into a cold and empty well The many sounds that greet our ears The sights our eyes befall Will open up our merging hearts And feed our empty souls

I believe when I fall in love with you it will be forever I believe when I fall in love this time it will be forever

Without despair, we will share And the joys of caring will not be erased What has been, must never end The joys of caring will not be replaced When the seeds of love have planted firm They won't be hard to find And the songs of love I sing to you Will echo in my mind

Hey!

I believe when I fall in love with you it will be forever. I said.
I believe when I fall in love this time it will be forever.
I believe when I fall in love with you it will be forever. Yeah!
I believe when I fall in love this time it will be forever.
I believe when I fall in love with you it will be forever.
I believe when I fall in love this time it will be forever.
I believe when I fall in love this time it will be forever.
I believe when I fall in love this time it will be forever.
I believe when I fall in love this time it will be forever.
I believe when I fall in love this time it will be forever.

I believe when I fall in love this time it will be forever. You know god has answered my prayers Won't you listen to me now God for sure will answer my prayers Won't you listen to me now

God will answer your prayers Just ask him and God is sure to answer all your prayers Oh come on and lets fall in love

Your the one that I've been waiting for Come on lets fall in love Your the woman that I adore Don't you wanna Fall in love with me baby Don't you wanna Fall in love with me this time, this time, this time Oh, no no no Don't you wanna fall Don't you wanna fall Don't you wanna fall in love Oh, no no no Yeah This time

O.K. I want you to sing this after me It will be forever Don't you wanna fall in love Come on, Come on don't you wanna fall in love With me forever, ever, ever, ever, ever, ever It will be forever Don't you wanna Don't you wanna fall in love with me, baby, Yeah! Don't you wanna Don't you wanna fall in love with me this time, this time, this time Oh, no no Don't you wanna fall in Don't you wanna fall in love Oh, no no no. Oh! Whoo!
