

George Michael, Killer

So You Want To Be Free
To live your life the way you wanna be
Will you give if we cry
Will we live or will we die

Tainted hearts heal with time
Shoot bad love so we can
Stop the bleeding

Solitary brother, is there still a part of you that
Wants to live?

Solitary sister, is there still a part of you that
Wants to give?

Solitary brother, is there still a part of you that
Wants to live?

Solitary sister, is there still a part of you that
Wants to give?

If we try to live our lives

The way we wanna be

Solitary brother, is there still a part of you that
Wants to live?

Solitary sister, is there still a part of you that
Wants to give?

Solitary brother, is there still a part of you that
Wants to live?

Solitary sister, is there still a part of you that
Wants to give?

Racism in future kings, can only lead to no good
And besides, all our sons and daughters already
Know how that feels
