

George Michael, Learn To Say No

Too strong woah
You're too strong for me baby
I've got to learn to say no
Something's wrong with me baby
I've got to learn to say no
I try to give you up but it's hard
Playing games left a hole in my heart
You've got me doing things I can't understand
Won't someone save me take this gun from my head
You're too strong for me baby
I've got to learn to say no (ugh)
Something's wrong with me baby
I've got to learn to say no
Same situation again and again
I'll say I'm leaving I just don't know when
You know that I could turn my back on the pain
It's just that something called pleasure keeps on calling my name
You're too strong for me baby
I've got to learn to say no (yeah)
Something's wrong with me baby
I've got to learn to say no
Ain't nobody gonna win this one baby
Breakdown
Love me do
Tell me true
Alibies
Little white lies
Gimme that
Gimme that
Gimme that
Gimme
Ain't nobody gonna win this one baby
Something called pleasure keeps on calling my name
You're too strong for me baby
I've got to learn to say no yeah ooooh
Something's wrong with me baby
I've got to learn to say no
I'm just a slave to your heart
You're too strong for me baby (Too strong)
I've got to learn to say no (I gotta learn to say no)
Something's wrong with me baby (Something's wrong)
I've got to learn to say no
I've got to
I've got to, got to, got to
I've got to, got to, got to, got to, got to, got to, got to go
