

George Morgan, I'm Thinking Tonight Of My Blue

Oh I'm thinking tonight of my blues eyes who is sailing far over the sea
Oh I'm thinking tonight of you only and I wonder if you ever think of me

Could been better for us both had we never
In this wide wicked world ever met
For the pleasures we both shared together
I am sure love I'll never forget

Oh I'm thinking tonight of my blues eyes...
[steel]
When in time the cold grave should inclose me
Will you come dear and shed just one tear
And say to the strangers around you
Of poor heart you have broken last year

Oh I'm thinking tonight of my blues eyes...
And I wonder if you ever think of me
