

George Nozuka, Stay Up

Let me start with a soft caress
wanna show you i'm not like the rest
so put me to the test
anything that you feel let it go
wanna take things nice and slow
so baby lose control
i want this, more than
i want anything, anything

so let's stay up tonight
girl that's all
let me sing you a song
so let's stay up tonight
girl that's all
let me sing you this song
'cause it's all about love tonight
it's all you see
so stay up with me tonight

so come make it right next to me
let me show you what love can be
i'll kiss the lips softly
i'm lookin' you right in the eyes
girl i slowly go deep inside
your heart is what i mean
'cause i want this, more than
i want anything, anything

so let's stay up tonight
girl that's all
let me sing you a song
so let's stay up tonight
girl that's all
let me sing you this song
'cause it's all about lovin' tonight
it's all you see
so stay up with me tonight ~ohh

it's all about you and me
that's right (that's right)
that's right (that's right)
this it what it means to me

so don't leave me (don't leave me)
don't leave me
i need this just as bad as you do~
so don't leave me
don't leave me
tonight

ooohhhh...
so let's stay up tonight
girl that's all
let me sing you a song
so let's stay up tonight
girl that's all
let me sing you this song
'cause it's all about lovin' tonight
it's all you see
so stay up with me

so let's stay up tonight
girl that's all
let me sing you a song

so let's stay up tonight
girl that's all
let me sing you this song
'cause it's all about lovin' tonight
it's all you see
so stay up with me tonight

baby baby
it's all you see
so stay up with me all night
