

George Strait, Is It That Time Again

Is it that time again
Closing time closing in
Are they turning out the lights
Must I go home?
Cause her memory is haunting me
Waiting there to see I'm not alone

I know I just can't stand
Another lonely night
This man is going out of his mind
Since you left me behind
Since you left me behind

Am I the last one here?
Please just one more beer
And I'll be on my way
Back to the blues. Back down lonely street
To a house that's steep
With nothing but a line of bad news

I know I just can't stand
Another lonely night
This man is going out of his mind
Since you left me behind
Since you left me behind.
