

# George Strait, One Night At A Time

I'm not yours and baby you're not mine.  
We've got something that sure is fine.  
Let's take our love one night at a time.

There's one thing that we both agree.  
I like you and baby you like me.  
Let's take our love one night at a time.

[Chorus:]

All night, love all night, practice makes perfect, gonna get it right  
Gonna get it right, one night at a time.

Oh I think about you all day long.  
It feels so good, it can't be wrong.  
I got my fingers crossed that this goes on and on.

Tomorrow well that's another day.  
Come on baby, now whatta you say.  
Let's take our love one night at a time.

[Chorus]
