

# George Strait, We Really Shouldn't Be Doing This

We really shouldn't be doing this and we both know why.  
Just being close enough to think like this, enough to make you need to lie.  
This kinda talk will lead us to somewhere,  
We're gettin' way too close to going there  
The farther off the better to resist, we really shouldn't be doing this.

Only an isolated incident, but the acquaintance left me stunned.  
The first attraction was the hardest hit I thought I'd ever overcome.  
This kinda situation has to pass, this chance encounter has to be the last.  
To take it further we would be remiss, we really shouldn't be doing this.

We'd each be hurting somebody else if we don't say our good-byes real fast.  
Won't even think about a farewell kiss, we really shouldn't be doing this.  
Well...
