

George Strait, What Say

Why don't we do something different?
Something that breaks with the times
Take an old idea, make it new again
Baby, what say we stay together

It tears me up to watch
Our old friends fall apart
Let's swear right now that we'll never go there
Baby, what say we stay together

[Chorus:]
What say we work on one day at a time
I'll always be yours
And you'll always be mine
And we'll be an exception to the rule
Baby, what say we stay together

Let's start with loving kindness
And leave no room for hurt
And when times get hard and we ant to give up
Baby, what say we stay together

[Chorus]
Why don't we do something different?
