George Strait, You're Right, I'm Wrong

[Chorus:]
You're right, I'm wrong, I'm here, you're gone.
Now I'm the one to blame that our love's at an end.

I lied, you cried, I died inside.
Now I'll do anything to get you back again.
Step by step, night after night
I walk the floor until morning light.
Your leaving words still haunt my mind
'Cause I'm the fool who made you say goodbye.

[Chorus]

Day by day, time after time
I did not see the warning signs.
Now my beating heart keeps telling me
It hurts to know that I caused you to leave.

[Chorus]

Yes I'll do anything to get you back again.
