

George Thorogood And The Destroyers, Greedy

I'm a greedy man
Yes, I'm a greedy man
Said, I'm a greedy man, people

Yes, I'm a greedy man
Greedy man, greedy man
Tryin' to do the best I can

I want me a real cool woman
A brand new car, a big bankroll
And be a movie star
I'm a greedy man

Yes, I'm a greedy man
Greedy man, greedy man
Tryin' to do the best I can

Looky here, I want me two Cadillacs
Paint 'em both red
Two chickens in my pot
Two womens in my bed

I'm a greedy man
Yeah, I'm a greedy man
Greedy man, greedy man
Tryin' to do the best I can, yeah

I want a woman to rub my back
A woman to tie my shoes
A woman to rub my head
Whenever I get the blues

I'm a greedy man
Yes, I'm a greedy man
Greedy man, greedy man
Tryin' to do the best I can

I'm a greedy man
I want everything, yeah

I want a ship out on the sea
All filled with money
A big airplane
For you and me, honey

I'm a greedy man
Yes, I'm a greedy man
Greedy man, greedy man
Tryin' to do the best I can

Greedy man, greedy man
Tryin' to do the best I can
I'm a greedy man
