

George Thorogood And The Destroyers, Not Ton

Well ya tell me that you're leavin'
You tell me that we're through
But you still want some of my lovin'
Well, darlin', I've got news for you

Don't you put your arms around me
You can feel my body shake
Don't ask me for none of my lovin'
Not tonight, I have a heartache

Not tonight, I have a heartache
Not tonight, I feel so blue
Not tonight, my poor heart is breaking
And it's all because of you

Well, I guess I'd better be goin'
I believe I'll be on my way
Don't kiss me goodbye
'Cause I'll start to cry
And please don't ask me to stay

And don't you put your arms around me
You can feel my body shake
Don't ask me for none of my lovin'
Not tonight, I have a heartache
Not tonight, I have a heartache
