

# George Thorogood & The Destroyers, B.I.G.T.I.M.E.

Well when you hear the bell it's nine o'clock  
That's the time when it's starts to rock  
Gonna push the hair up outta my face  
We gonna rock the rafters right offa this place

Yeah, it's alright  
You and me  
Yeah, we gonna have a B.I.G.T.I.M.E.

Goin' out tonight we gonna rock, rock, rock  
And we don't care if they call the cops, ha ha  
Gonna get my girl we gonna dance dance dance  
And later go home and make romance

Yeah, it's alright  
You and me  
Yeah, we gonna have a B.I.G.T.I.M.E.

Yeah, it's alright  
You and me  
Yeah, we gonna have a B.I.G.T.I.M.E.

Well, my mama told me when I left home  
She said "Boy you were born to roam,  
But you better remember just one thing, son,  
You gotta always try to have some fun."

So, it's alright  
You and me  
Yeah, we gonna have a B.I.G.T.I.M.E.

Hey, B.I.G.T.I.M.E.  
Hey, B.I.G.T.I.M.E.  
Hey, B.I.G.T.I.M.E.
