

# George Thorogood & The Destroyers, Baby Don't

Baby baby baby don't go  
Can't you see that I love you so  
More than you'll ever know  
Baby baby, baby don't go

Baby baby baby please stay  
My love grows bigger every day  
In each and every way  
So baby baby, baby please stay

Baby baby baby don't leave  
Can't you see what you're doin' to me  
Makin' my poor heart grieve  
Baby baby, baby don't leave

Well, I remember the day that I met you  
With your cute little beatnik clothes  
I knew I'd never ever forget you  
Now my love for you baby still grows

Baby baby baby please stay  
Yes, my love grows bigger each day  
In each and every way  
Baby baby, baby please stay

I remember the day I first saw you  
You were an angel in tennis shoes  
I knew I just had to call you  
Now your love baby I don't want to lose

Baby baby baby don't leave  
Can't you see what you're doin' to me  
You're makin' my poor heart grieve  
Baby baby, baby don't leave

Baby baby baby don't go  
Can't you see that I love you so  
More than you'll ever know  
Baby baby, baby don't go

Baby baby baby baby baby  
Baby baby baby baby baby  
Baby baby baby baby baby  
Baby baby, baby don't go
