

George Thorogood & The Destroyers, Kind Heart

I got a kindhearted woman, do most anything in the world for me
She's a kindhearted woman, do most anything in the world for me
Oh, but these naughty women will not let me be

I love my baby, oh, my baby don't love me
I love my baby, oh, my baby don't love me
But I really love that woman, can't stand to leave her be

Lord, there ain't but the one thing make brother George drink
Ask whoever how you treat me baby, I begin to think
Oh baby, my life's all filled with pain
Hmm, that's how you treat me honey, you call me So-and-So's name

She's a kindhearted woman, but she studies evil all the time
She's a kindhearted woman, but she studies evil all the time
She bound to kill me, just to have it off her mind
